There are three Local Governing Body meetings per Academic Year.

Attendance: Whilst Governors make every effort to attend meetings throughout the year, from time to time, apologies for non-attendance at meetings are received and are generally due to unforeseen circumstances, such as sickness or family/work commitments. Apologies are always accepted by the Governing Board/Committee and an explanation recorded in the minutes. To ensure all Governors are kept up to date, regular communication and collaboration is made through the circulation of minutes of meetings, emails and, where necessary, verbal updates from colleagues.

Minutes of meetings are available on request from the School Office, with the exception of matters recorded that are of confidential nature
