

ANTI-BULLYING POLICY

1 STATEMENT OF INTENT

- 1.1 We are committed to providing a caring, friendly and safe environment for all of our students so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all students should be able to tell and know that incidents will be dealt with promptly and effectively. We are a telling school. This means that anyone who knows that bullying is happening is expected to tell the school, either by telling a member of staff, parent, friend or peer. As a school we take bullying seriously. Students and parents will be supported when bullying is reported. Bullying will not be tolerated.
- 1.2 This policy refers to bullying of all members of the school community, students and staff.

2 WHAT IS BULLYING?

- 2.1 Bullying is any behaviour by an individual or group that (it does not necessarily have to be all 3 to be bullying):
- Is meant to hurt – the person or people doing the bullying know what they are doing and mean to do it
 - Usually happens more than once – there will be a pattern of behaviour, not just a ‘one-off’ incident
 - The person being bullied will usually find it very hard to defend themselves – it involves an imbalance of power
- 2.2 Bullying can be:
- Emotional – being unfriendly, excluding, tormenting eg hiding books, threatening gestures
 - Physical – pushing, kicking, hitting, punching or any use of violence
 - Verbal – name-calling, sarcasm, spreading rumours, teasing, making personal remarks. Discriminatory language is not acceptable and will be challenged
 - Written – notes, offensive graffiti
 - Cyber – misuse of all areas of internet, such as email, internet chat room, social networking sites, mobile threats by text messaging & calls, misuse of associated technology ie camera and video facilities
- 2.3 Types of bullying can include:
- Sexual – unwanted physical contact or sexually abusive comments
 - Racist – including taunts, jokes, gestures
 - Focused on religion or belief
 - Homophobic and transphobic – because of, or focussing on the issue of sexuality including taunts, jokes, gestures eg using ‘gay’ as a word of abuse
 - Disablist bullying – including taunts, jokes, gestures

- Sexist (including discrimination against transgender) – including taunts, jokes, gestures

A bullying incident is “any incident which is perceived to be bullying by the victim or any other person”.

3 WHY IS IT IMPORTANT TO RESPOND TO BULLYING?

- 3.1 Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect.
- 3.2 Schools have a responsibility to respond promptly and effectively to issues of bullying. Everyone has a right to feel safe in school.
- 3.3 Bullying can have detrimental long term effects on the victim.
- 3.4 Bullying can have a significant impact on the victim’s family.
- 3.5 If the victim does not report the incident or does not feel supported, they might take action themselves and this may not be appropriate.
- 3.6 The bully may need support. Students who are bullying need to learn different ways of behaving.

4 SIGNS & SYMPTOMS

- 4.1 A child may indicate by signs or behaviour that he or she is being bullied. Adults (parents and school staff) should be aware of these possible signs and that they should investigate if a child:

Checklist for Managing a Bullying Incident	✓
1. Bullying (or suspected bullying) is reported or observed by a member of staff.	
2. Report incident to Head of House as soon as possible. Under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns immediately to a designated child protection lead in the school.	
3. Member of staff records incident on SIMS	
4. Head of House meets with (or ensures that an appropriate adult meets with) the target of the bullying. Incident form completed.	
5. As required, Head of House collects statements from other students, including the alleged bully and witnesses using green incident forms.	
6. If there is evidence or admission of bullying, issue appropriate sanctions following anti-bullying policy and behaviour policy.	
7. Provide opportunity for young person responsible to reflect and consider how they might make amends.	
8. If no bullying has taken place, or there is insufficient evidence, consider what further action is needed to reassure and meet the needs of those concerned	
9. Inform the target of outcomes and actions taken. Keep them informed throughout. Provide on-going support	
10. Inform the young person responsible of outcomes and actions taken, Keep them informed throughout. Provide on-going support

14. Where a criminal offence has been committed, consider reporting the incident to the police or inform parents of the target that they may want to do so. If the misbehaviour could be criminal or poses a serious threat to a member of the public, the police will always be informed.	
15. When responding to cyber-bullying concerns liaise with ICT support staff, contacting the service provider and the police, if necessary. On-line content may be recorded and will then taken down.	
16. Incident recorded in RGS bullying log by Head of House	
17. Consider what additional input is required in terms of: proactive work to address prejudice or promote diversity, work with class or year group, assembly, individual or group work with young people concerned, referral to outside agencies etc.

19. Review how successful your approach has been. What additional preventative measures need to be in place?	
20. RGS bullying log updated by Head of House	

Even where safeguarding is not considered to be an issue, the school may need to draw on a range of external services to support the student who is experiencing bullying, or to tackle any underlying issue which has contributed to a child engaging in bullying.
