

POLICIES STATEMENT

1 STATEMENT OF PRINCIPLE

- 1.1 The North Bristol Post 16 Centre and its Governing Bodies (Cotham School and Redland Green School) have agreed to adopt the policies in place at each learning community including for health and safety, equalities, behaviour and safeguarding.
- 1.2 Whilst both learning communities adopt policies in line with statutory or national guidance and best practice, it is acknowledged that these policies might need to be adapted to meet the needs of the particular learning community. It is therefore, the responsibility of the student to ensure that he/she has read and understood the relevant policies relating to the learning community at which he/she is studying.
- 1.3 Where appropriate, a Centre-wide policy has been adopted by both Governing Bodies. This includes for admissions, complaints, the curriculum, trips, bursary funding and drugs and substance abuse. Centre-wide policies are available on the Centre's website; other policies are available from the relevant learning community's school website. Students and parents can also request copies of policies from the Centre.
